WHERE THE MATTRESS INDUSTRY'S PEOPLE, PRODUCTS AND POSSIBILITIES CONNECT

Exhibitor Product Category Selections

ISPA EXPO Exhibitors may select up to 5 of the following product categories for complimentary inclusion in the printed Official Program and Exhibitor Guide and the online interactive exhibitor directory. Additional categories are available for a fee. You may select either a broad product category listed in bold or a sub-category as listed below.

Exhibitors may include up to 3 primary categories on their Exhibit Space Application and select the remainder online upon space confirmation.
